

Memphremagog
Conservation inc.

Common reed control activity in Fitch Bay: the MCI needs your help!

**Saturday July 28th 2018* from 8:30 AM to 3:30 PM
AND**

**Tuesday August 7th 2018* from 8:30 AM to 3:30 PM
We will meet at Ch. Bissell / Ch. Des Français intersection,
Canton de Stanstead**

*In case of showers, the activity will be postponed to the following day

Planning of the activity:

- Quick introduction of the technique used and description of the plant;
- Material distribution and formation of teams;
- Let's cut them down!

**Please bring any useful material (water boots, pruning shears,
gloves, etc.), appropriate clothing (hat, sunglasses, etc.), water and
your lunch!**

**Come help us fight exotic invasive species
around our lake!**

**To confirm your presence and to know more: 819 620-3939
or patrol@memphremagog.org**
