I wish to benefit from the funding provided by the Municipality of Stanstead Township to pay for the cost of the work of implanting my septic system through a debt settlement.

It is understood that the interest rate will be announced at the funding of the program only.

Note that it is the property that will guarantee the loan and not the owner. If sold, the next owner will have to pay the term of payment.

DUTIES OF OWNER

Hereby, I pledge to:

- Provide percolation test conducted by a competent professional in the field (engineer or technologist) in accordance with Regulation Q.2 r-22;
- Join the submission to the septic system in this form
- Provide a copy of the mandate given to consultants to obtain a certificate of conformity after the work;

- Provide a power of attorney or a copy of the resolution authorizing signatures in the case of a company, corporation or other legal entities.

Other commitments

- Release the Municipality of Stanstead Township of any responsibility regarding the work performed and equipment used;
- Subscribe and keep a maintenance contract with the manufacturer (if required) as long as the guarantee system and the Regulation Q-2, r.22 requires it, and provide a copy of the contract to the Municipality;
- Use my septic system properly to maximize its life and ensure the protection of the environment
- Inform the new purchaser at the sale of the property (if any) of the existence of this debt settlement.

In witness whereof, I (we) signed,
