PUBLIC MEETING OF JULY 6

Dear citizens,

Tonight's regular meeting will again be held in camera and by videoconference this time. Citizens are invited to email me with their questions by 5:00 p.m. this evening at mairesse@cantonstanstead.ca.

Please note that the meeting will be recorded and then published on the municipality's website as soon as possible.

Council will be able to review the holding of future public meetings based on decree 2020-049 issued on July 4 and others to come. We will keep you informed of future developments.

Thank you for your understanding,
