PROVINCE DE QUÉBEC
MRC DE MEMPHRÉMAGOG
MUNICIPALITÉ DU CANTON DE STANSTEAD

Certificate Regarding the Filing of the Results of the Voter Registers Maintained on July 16, 2026.

NOTICE is hereby given of the following:

Whereas, at a meeting held on February 20, 2026, the Council adopted **Bylaw No. 488-2025 entitled "Zoning Bylaw**." This bylaw replaces the Municipality's former zoning bylaw. At that same meeting, the Council also adopted **Bylaw No. 497-2025, entitled "Conditional Use Bylaw.**" This bylaw replaces the Municipality's former conditional use bylaw;

At a meeting held on June 3, 2026, the Council adopted Bylaw No. 488-2025-1, titled **"Zoning Bylaw**." This bylaw replaced Bylaw No. 488-2025 to bring it into compliance with the MRC's requirements. At that same meeting, the Council also adopted Bylaw No. 497-2025-1, titled "Bylaw on **Conditional Uses**." This bylaw replaced Bylaw No. 497-2025 to bring it into compliance with the MRC's requirements.

Whereas each of these by-laws is subject to the approval of eligible voters, registers were kept on July 16, 2026, between 9:00 a.m. and 7:00 p.m., to collect the signatures of citizens requesting a referendum;

Whereas the total number of eligible voters registered on the electoral list prepared by the Quebec Chief Electoral Officer for the 2025 municipal elections is 1,083;

Whereas the maintenance of these registries was the subject of a public notice in accordance with applicable legal provisions, dated July 9, 2026;

Whereas the number of signatures required in each of these registers to call for a referendum is 114 signatures from eligible voters (13 + (10% of 1,083) - 25);

Whereas the number of signatures* collected on July 16, 2026, for each of the registries, relating to the following by-laws, is:

- Zoning By-law (488-2025-1): 99 signatures collected;
- Conditional Use By-law (497-2025-1): 87 signatures collected;

*** *The requests received will be reviewed through a more detailed analysis, but this will not affect the results.*

Since the number of signatures for each of these by-laws did not reach the threshold required to trigger a referendum, Zoning By-law No. 488-2025-1 and the Conditional Use By-law No. 497-2025-1 are deemed to have been approved by the citizens.
